How to get help:

Champions of HOPE

A real story from TheHopeLine:
All my life, I've never been good enough for anyone. My half-brother raped me and made me sleep with him. When everything is going wrong, I can talk to someone at TheHopeLine and I don't feel alone. I've tried to kill myself three times in the past six months,

but TheHopeLine has helped me. Thank you for every thing. Thank you for giving me hope again! - Indira
